

## *Are You Surrounded By Jerks?*

Which of these Jerks annoys you the most?

- ◆ Noah Cronin, *Two Lips*, slathers praise so thickly that he sickens his company president, Vice President of Human Resources, and several co-workers within 30 minutes of arriving at work!
- ◆ Ulysses Paige IV, *The Topper*, can top any story, told by any one, at any time - and uses this skill to offend a \$50 million client.
- ◆ Our *Hypocrite*, Casper Stone teaches Sunday School one day; swears at a clumsy waitress the next.
- ◆ Napoleon Leonard learns that his incessant *Fault Finding* can cause pain – for him.
- ◆ Festus Berra, *The Nuclear Reactor*, is a human meltdown machine, erupting because a salesperson took a prospect to lunch.

*Are You Surrounded By Jerks?* introduces these and fifteen other obnoxious, entertaining characters to people who want and need to laugh; who seek slivers of joy to escape sadness, economic challenges, the inundation of bad news, and the constant political circus. *Are You Surrounded By Jerks?* fills that need and makes people ask, “Does this guy remind you of Mike in purchasing?”
