

# Stories That Came To Mind

---

Four short stories that each touch a different area of your mind.

- In *Illegitimate Peace*, the president of the United States learns that the world's most wanted terrorist is his illegitimate son.
- Two men decided to operate a "women's doctor" clinic from a storage unit – *Playing Doctor*
- An executive valet's dream comes true when one twin kills another in *Death By Lawn Jockey*
- *Liar*, an excerpt from *Are You Still Surrounded By Jerks?*, could be a true story
